## PROFESSIONAL SUMMARY

Urban Designer and Architect with over 5 years of experience in designing residential and commercial projects, urban planning, and construction execution. Skilled in concept design, detailed drawings, and turning design ideas into practical, buildable solutions. Experienced in managing projects, coordinating with engineers and site teams, and delivering work on time and to quality standards. Strong background in construction documentation, formwork systems, and site coordination, with hands-on experience in both the U.S. and India. Known for clear client communication, organized project handling, and a design-focused approach that balances functionality, efficiency, and sustainable urban design.

## EDUCATION

08/2023 - 10/2024

Pratt Institute, Brooklyn, New York, USA  
M.Sc Urban Design

08/2015 - 10/2020

Dr. D.Y. Patil College Of Architecture, Pune, India  
B.Arch

## EXPERIENCE

11/2024 - Present

TECH STUDIO SERVICES

Project Manager

- Led HV, formwork, and shoring system installations across residential projects, coordinating clients, engineers, and site teams.
- Reduced approval cycles by 20% and improved construction efficiency by 15% through optimized wall system solutions.
- Managed procurement to U.S. standards, mentored junior staff, and gained hands-on experience on major on going projects.

04/2022 - 06/2023

URBAN EMINENTS

Junior Architect

- Contributed to end-to-end design development for industrial parks and residential townships, balancing functionality, compliance, and aesthetics through coordinated planning.
- Delivered detailed working drawings and GFC documentation, reducing on-site rework by 18% through accurate and coordinated construction outputs.
- Managed multiple client accounts and site coordination, collaborating with MEP and structural teams to resolve issues efficiently and achieve a 95% client satisfaction rate.

12/2020 - 12/2021

MAHAVEER PATIL & ASSOCIATES

Junior Architect

- Led on-site execution for mid-scale residential and commercial projects, managing labor and resources to reduce delays by 10% while maintaining quality standards.
- Supported design and client presentations through conceptual development, 3D modeling, and renders using SketchUp, Lumion, and V-Ray.
- Prepared BOQs and material specifications, coordinated with vendors and contractors, and assisted senior architects with municipal approvals and compliance documentation.

04/2022 - 06/2023

ABHIKALPAN ARCHITECTS

Architectural Intern

- Produced accurate technical drawings for institutional and housing projects, improving construction documentation quality and clarity.
- Assisted with MEP coordination and integration, reducing cross-discipline clashes by 12% through improved drawing accuracy.
- Developed presentation graphics, as-built drawings, site surveys, and concept visualizations in collaboration with the senior design team.

## WORKSHOPS

Rhino & Grasshopper (2023)  
Advanced Rendering (2022)  
Generative AI (2024)

## AWARDS

Urban Design Trophy (NASA 2016) Second Place  
Ruben Panel (NASA 2018) First Place

## SKILLS

Rhino, SketchUp, AutoCAD, Revit, V-ray, Lumion, Enscape, Illustrator, Photoshop, InDesign, D5 Render
